09.30A.M. REGISTRATION - Meet and Greet**10.15A.M. KIM ARNOLD Opens the Conference****10.30A.M. JOLANDA DE JONG (TAROTJO) 'Unveiling Your Soul's Map'**

Have you ever felt the tug of your soul's whispers urging you to explore the depths of your being or wondered about the pathways of your unique journey?

We will unlock these mysteries as Jo guides us through an exercise to uncover our soul's essence and embark on a quest to uncover our soul path amongst the cards laid before us.

12.10PM. KRISTOFFER HUGHES shares the 'Bee Tarot'**12.30PM. BREAK** (lunch not included)**1.15PM.-1.45PM. LUNCHTIME with TIFFANY LAZIC 'The World At Your Doorstep'**

We expect the cards to mirror the depths of our inner world. We invite the cards to inform best steps about our manifest world. But what about those times when the cards step out of the 2 dimensional and into our life? How can we recognize when The World comes knocking at the door to hand you a revelation in person?

2.00PM. JOHN MATTHEWS We visit John's new deck **'The Fools New Journey'** and look at a unique way of reading Tarot, including a powerful new sequence which might change the path of tarot as we have never experienced before.

2.45PM. MICHELE MORPHITIS 'Tarot And Psychotherapy'

Can tarot be used productively in psychotherapy sessions as a useful enlightenment tool? What can we take from this to deepen our own spiritual practice? Can this marriage of practices be a representation of the cosmic consciousness and completeness that radiates from The World card?

Michele will explore, through words and images, how the paths of psychotherapy and tarot cross, weaving some psychoanalytic theory into a personal interpretation of the cards.

3.45PM. BREAK**4.15PM MARION KIRK 'The Saturn Years'**

The World Card corresponds astrologically to Saturn. During this enlightening presentation Marion will invite you to discover how the planet that governs thresholds and doorways, guides us through the many endings we face in our lives.

5.30PM. BREAK**6.30PM. Dinner served in the restaurant**

7.40PM. MARK RYAN with JOHN MATTHEWS chat about **'The Sherwood Oracle'** A unique deck where each card tells a story, drawing you into the world of Sherwood Forest, a story of rebellion against injustice and standing up for what is right, which are themes relevant in our modern world.

This is not just a tool for divination, but a guide for self-reflection and personal growth. The stories of Sherwood Forest are timeless for a reason, and through the Sherwood Oracle, we can tap into their wisdom and guidance in our own lives.

8.20PM. Grab a drink and join us for our Auction, raffle, and time to mingle.

09.15A.M. KIM OPENS**09.30A.M. ALICE GRIST 'Living With The World'**

This session dives into the World card and an exploration of it via life this year.

As we weave in practices and card pulls, we will discover the World as an intensely glorious card that it is almost irrelevant and unknowable in modern day life.

Then we will explore and debunk that!

10.50A.M. BREAK**11.20A.M. MATTHEW BAKER****'How We Relate To Our Inner World Of Tarot & The World Card'**

Matthew guides us through an exercise to connect with the inner world where we will discover a gift from the inner realms, cards will be turned to see how the gift and the card relate to our relationship to the world and the inner world.

12.25PM. SUSAN WANDS Susan shares the **'High Priestess And The Empress'****12.45PM. Lunch in Restaurant****1.25PM.-1.50PM. LUNCHTIME with CARRIE PETERSWALD 'How to build a Successful YouTube Channel'**

2.00PM.-3.00PM CAMELIA ELIAS 'Marseille Tarot The 'Read Like The Devil' Today we read like the Devil, another way of saying that we read the cards by putting two and two together the logical way and in strict reference to a question and its context.

Through examples I point to different tactics of developing clarity by prioritizing the use of visual cues in the cards, function over symbol, and coherence.

3.05PM.-3.35PM. SARAH BARTLETT 'Wiccan Symbols For Tarot Spreads'

A brief introduction to using traditional Wiccan symbols as spreads to amplify and enrich your readings and deepen your esoteric wisdom.

We will look very briefly at what Wicca is and isn't, what these symbols mean, and how to incorporate them into your readings.

3.35PM. BREAK**4.00PM. SOPHIE MCKAY KNIGHT 'We Are All Pilgrims'**

Sophie talks about her project, Pilgrimage as a Metaphor, and how it resonates with the World card.

She will share insights into her personal route to creating the Painted Tarot, the Painted Runes and Next Generation Tarot.

The session concludes with a spread to inspire your creativity and an invitation to design and draw your own World tarot card.

No experience of drawing is necessary. Template and pens will be provided.
